

Helping My Family

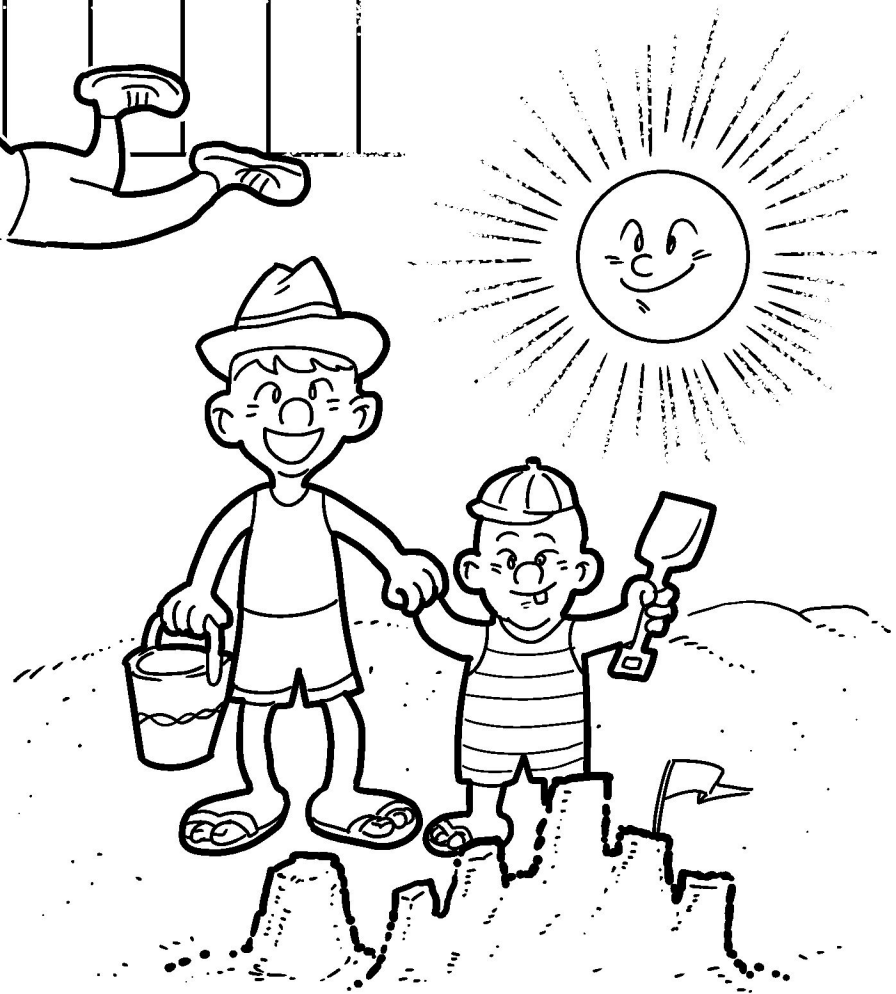

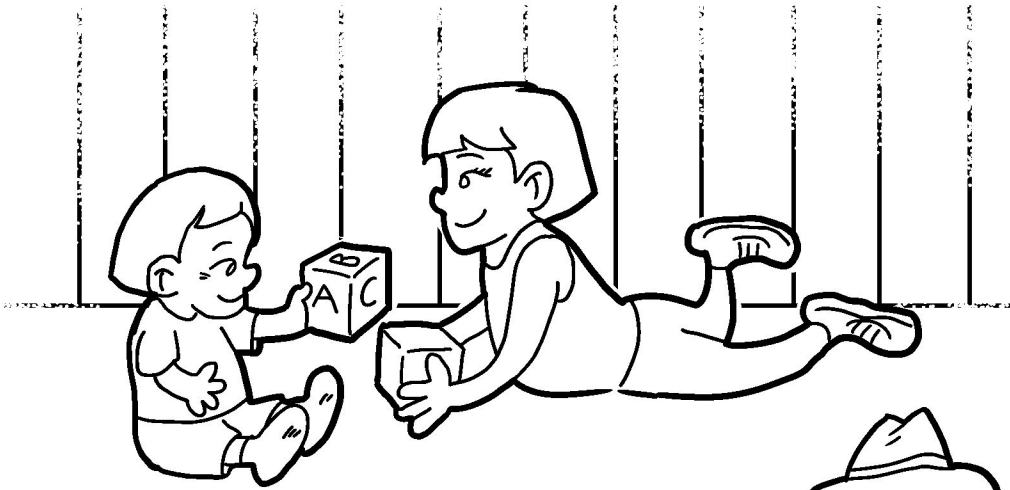

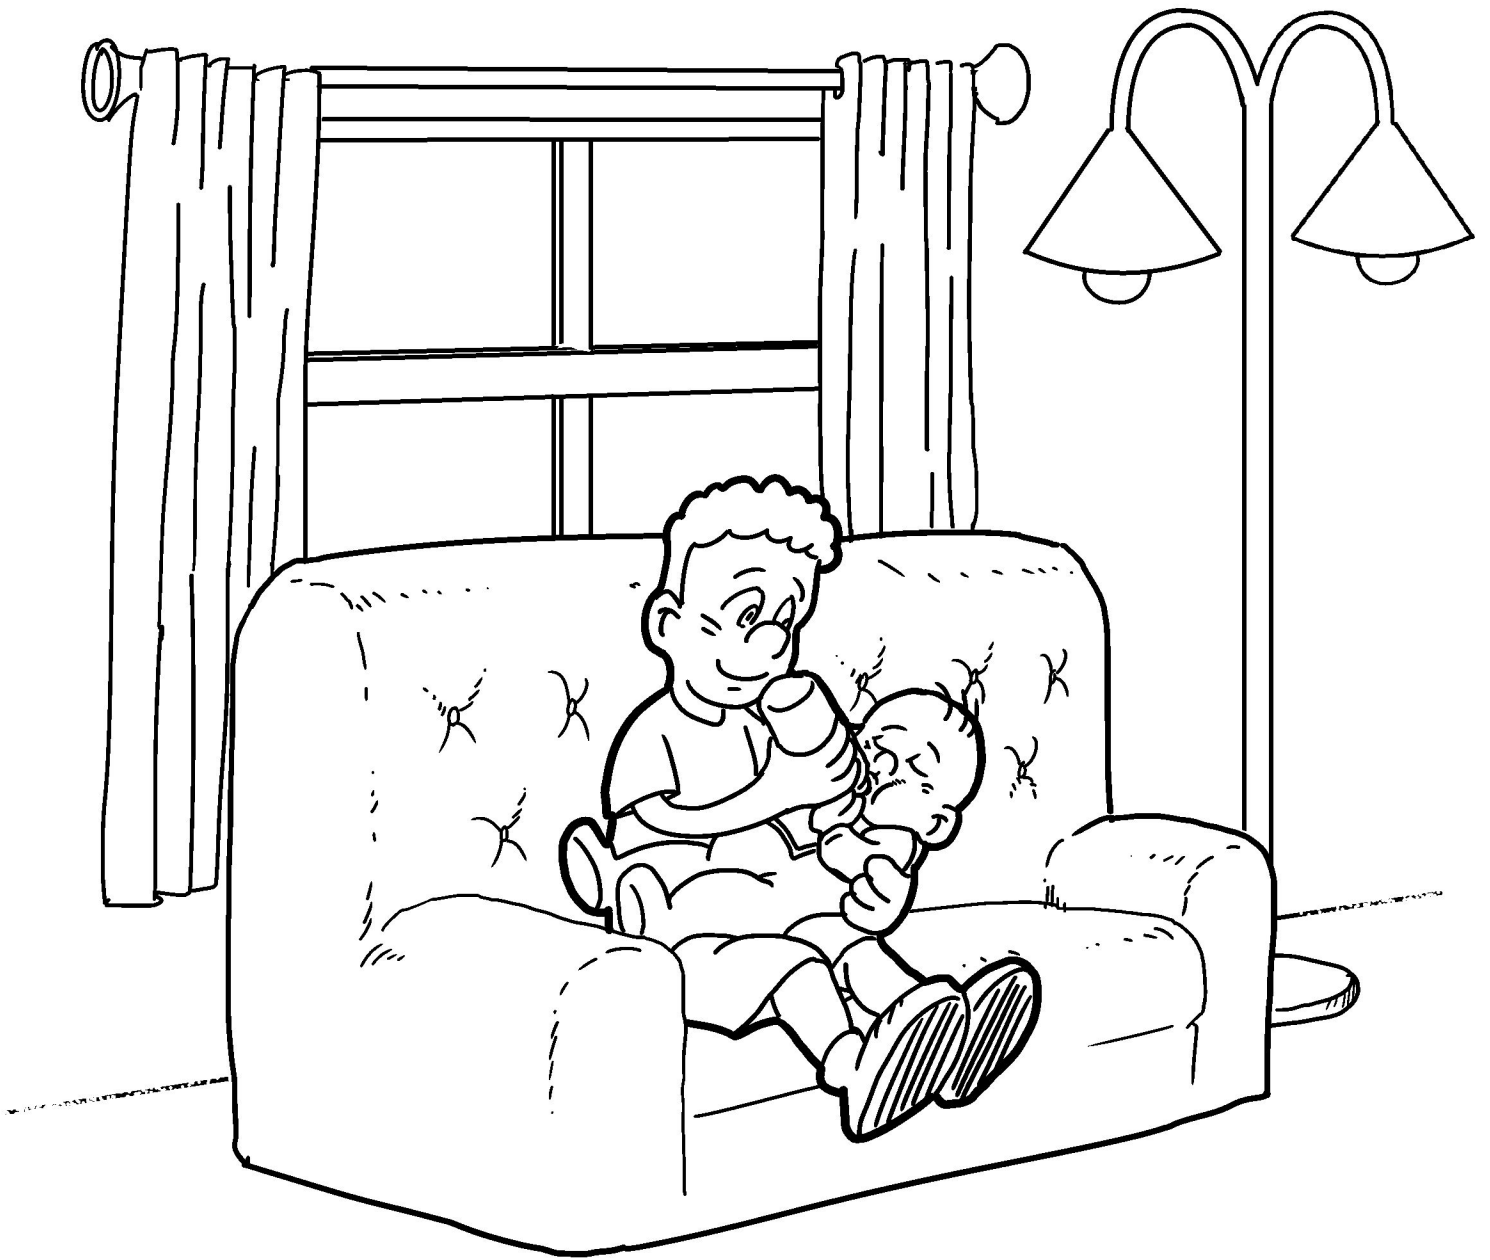

I help clean up the yard by raking leaves in the fall. We make it a family day.

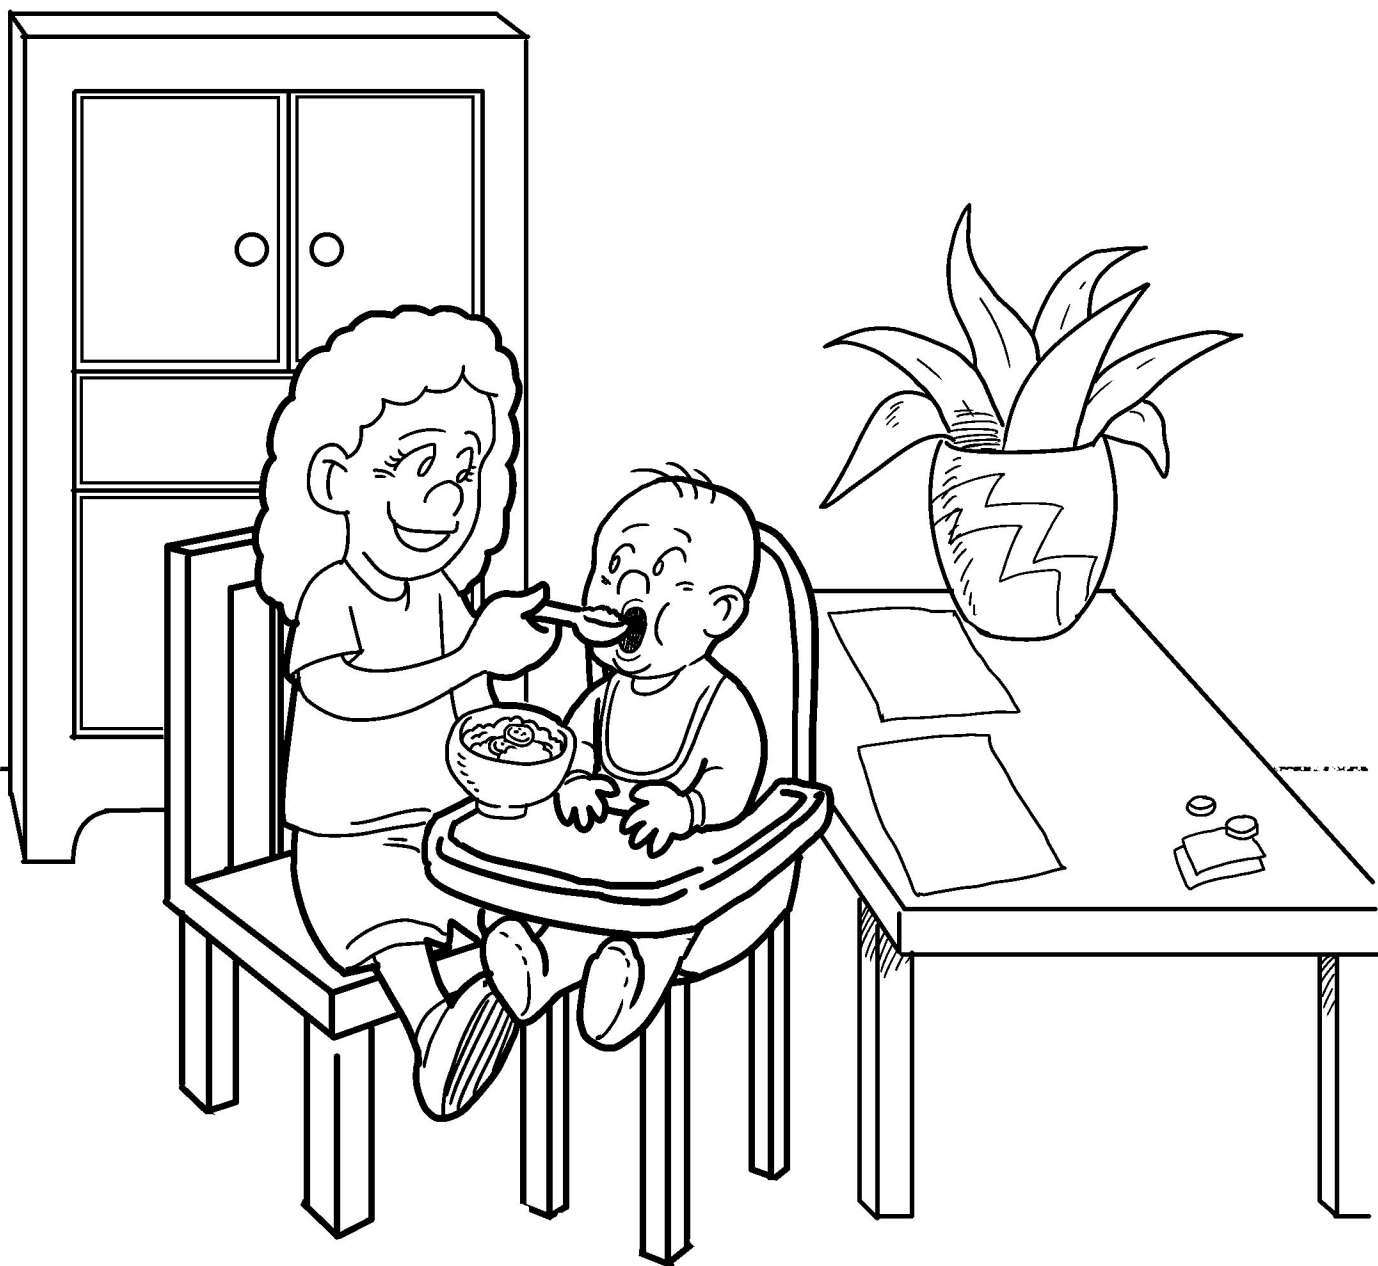

**I help make my bed every morning.
It keeps my room looking tidy.**

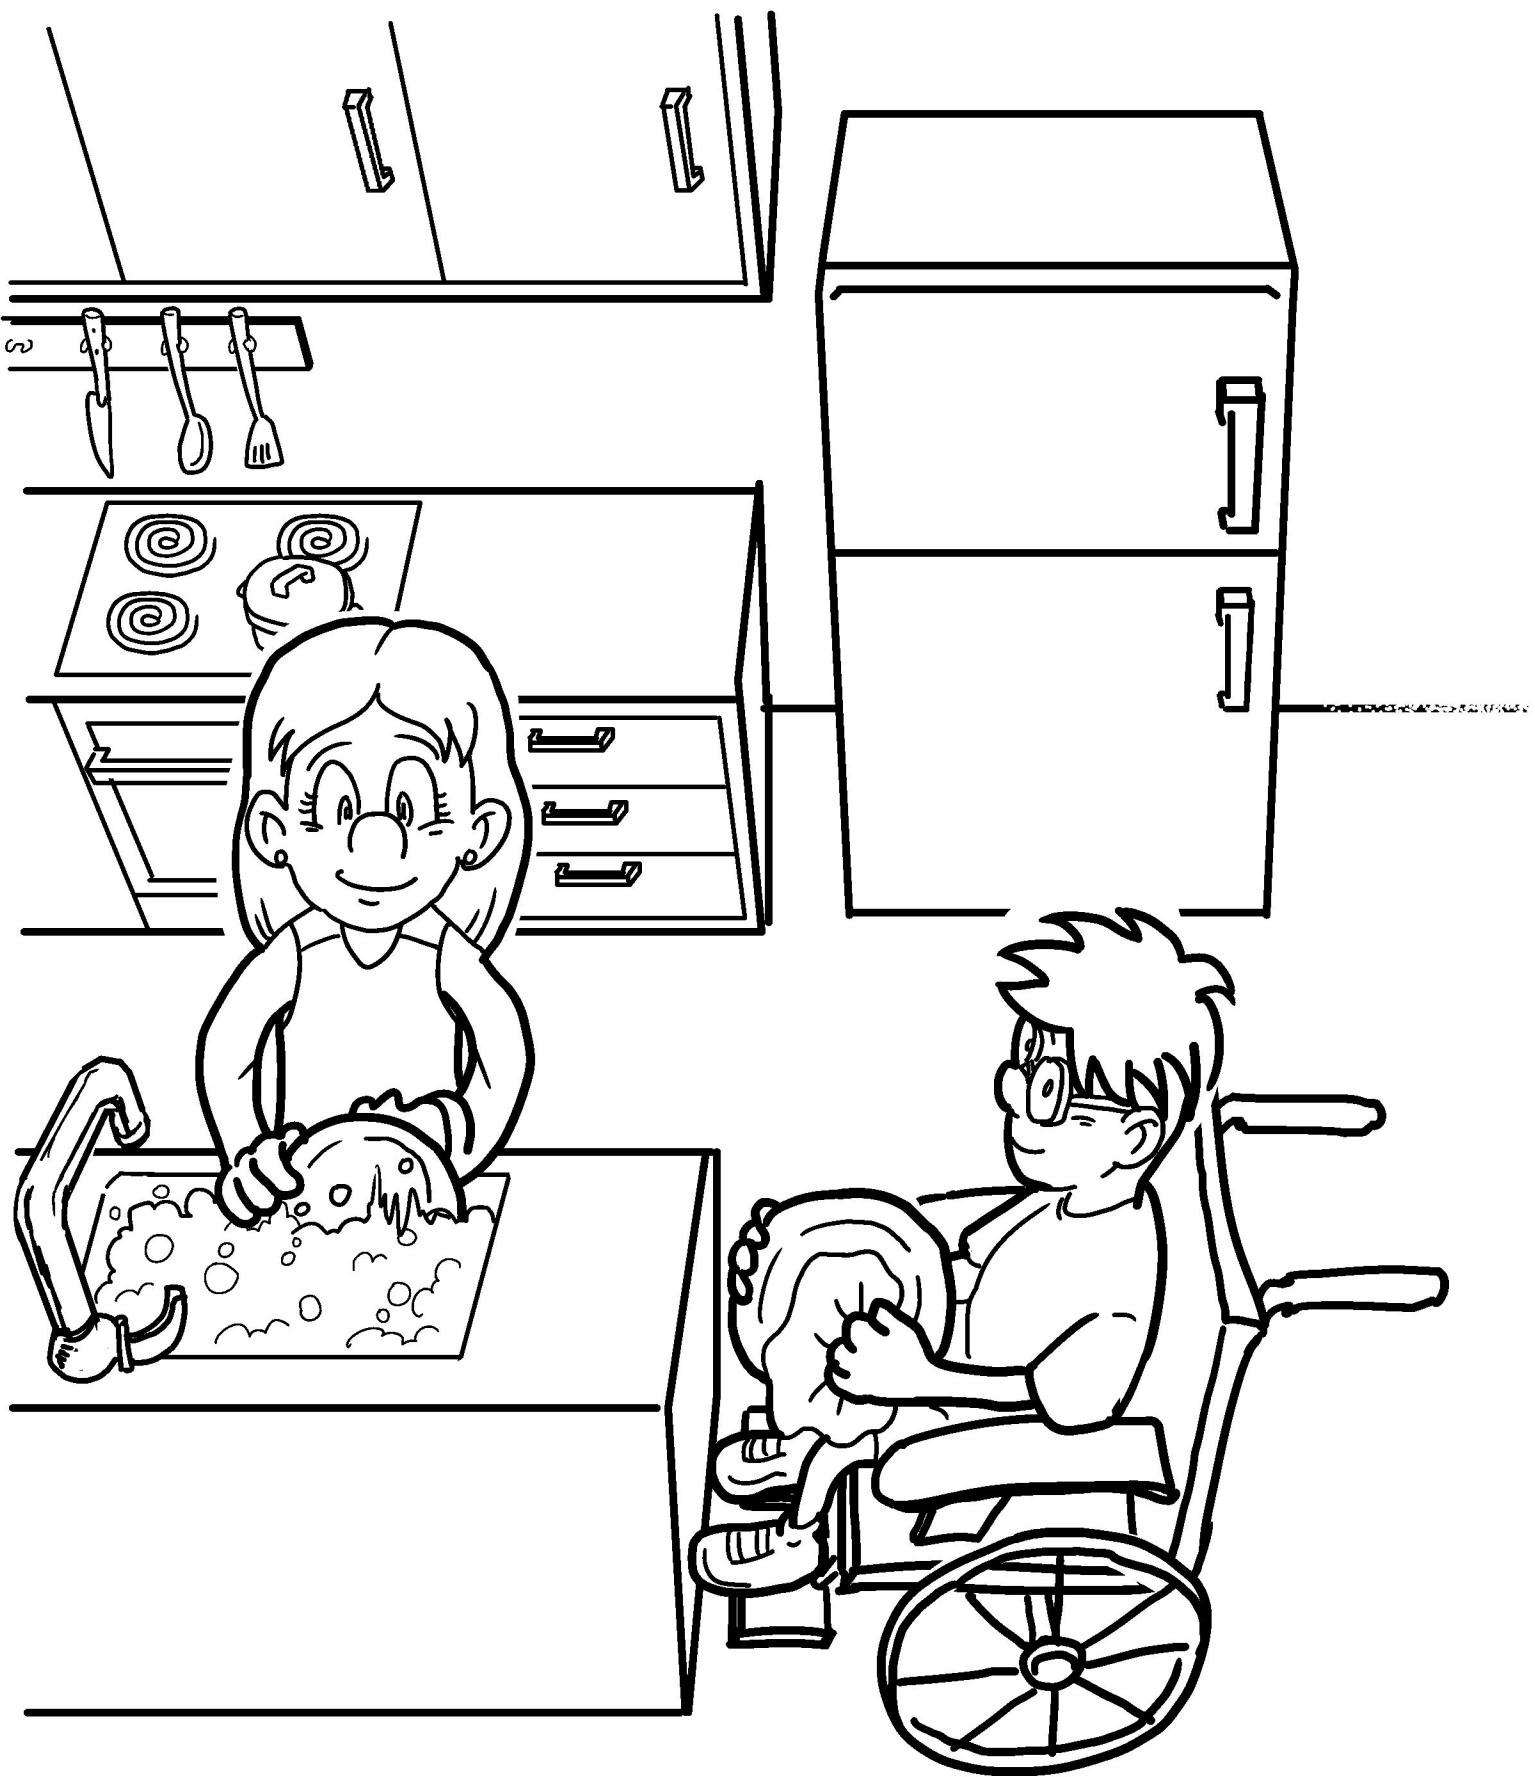

**I play with my little brother and sister.
They can be a lot of fun. They look up to me,
so I try to be a good example.**

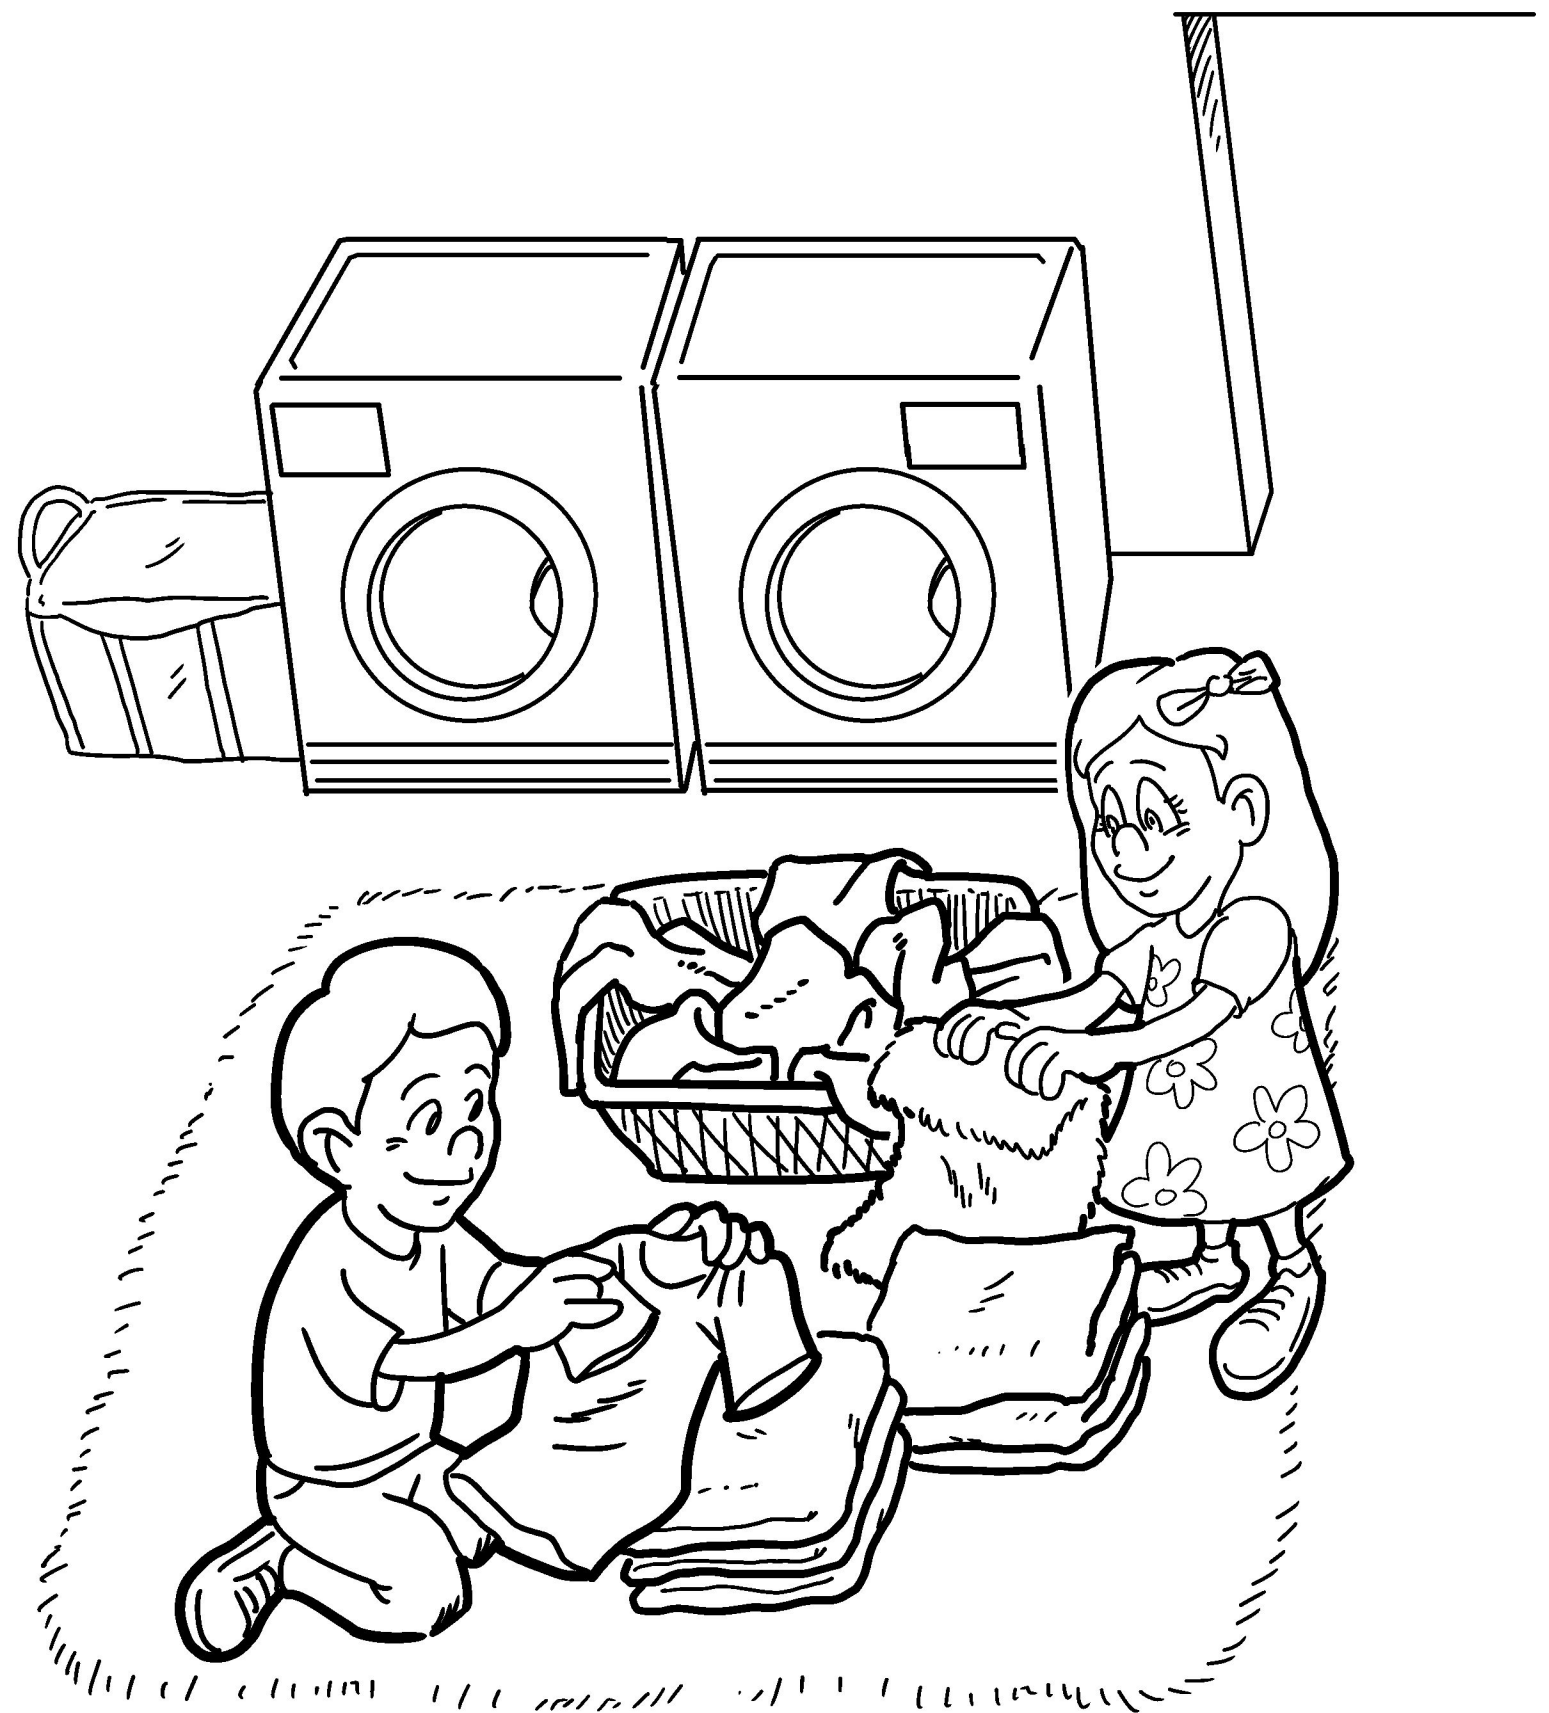

**My mom showed me how to feed the baby.
This helps save my family a lot of time.**

My parents are proud of me when I help feed my brother or sister.

**I like helping in the kitchen.
My family really appreciates it.**

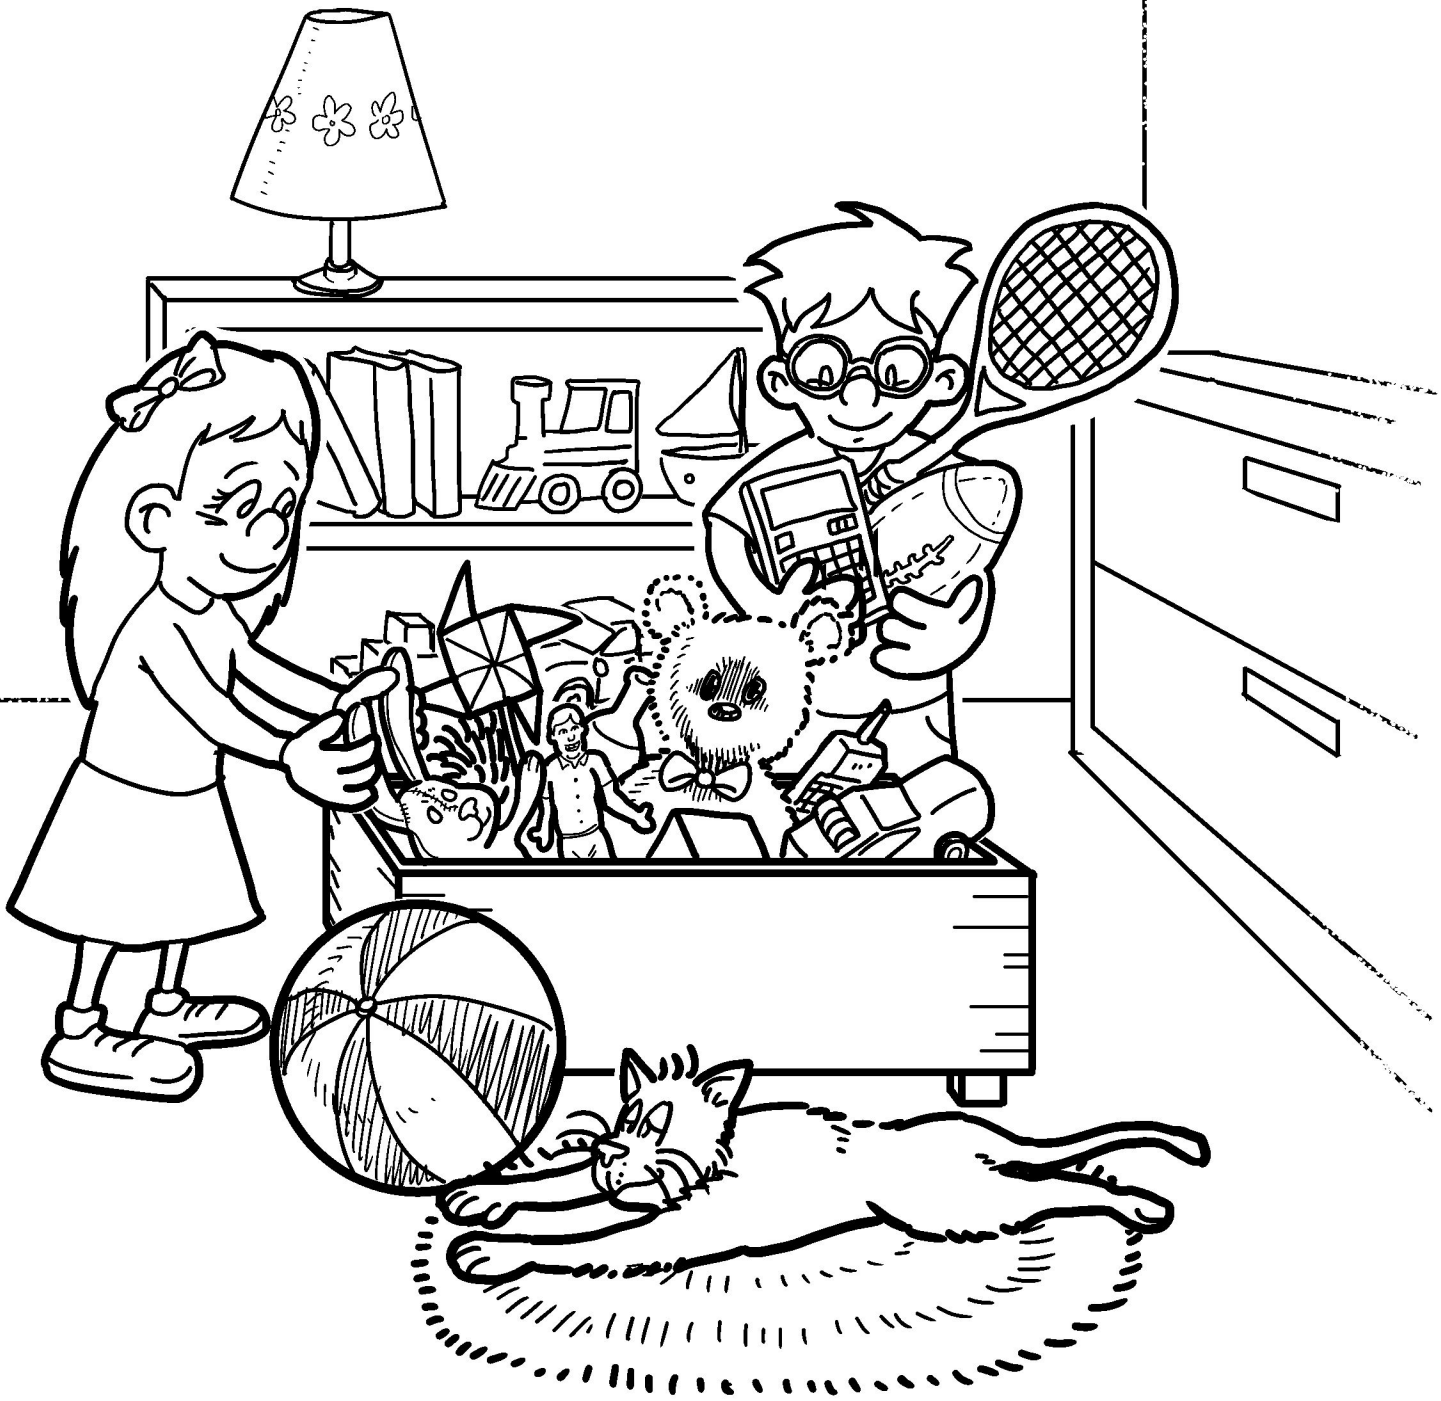

**We are helping with laundry.
My parents wash our clothes,
then we put them away.**

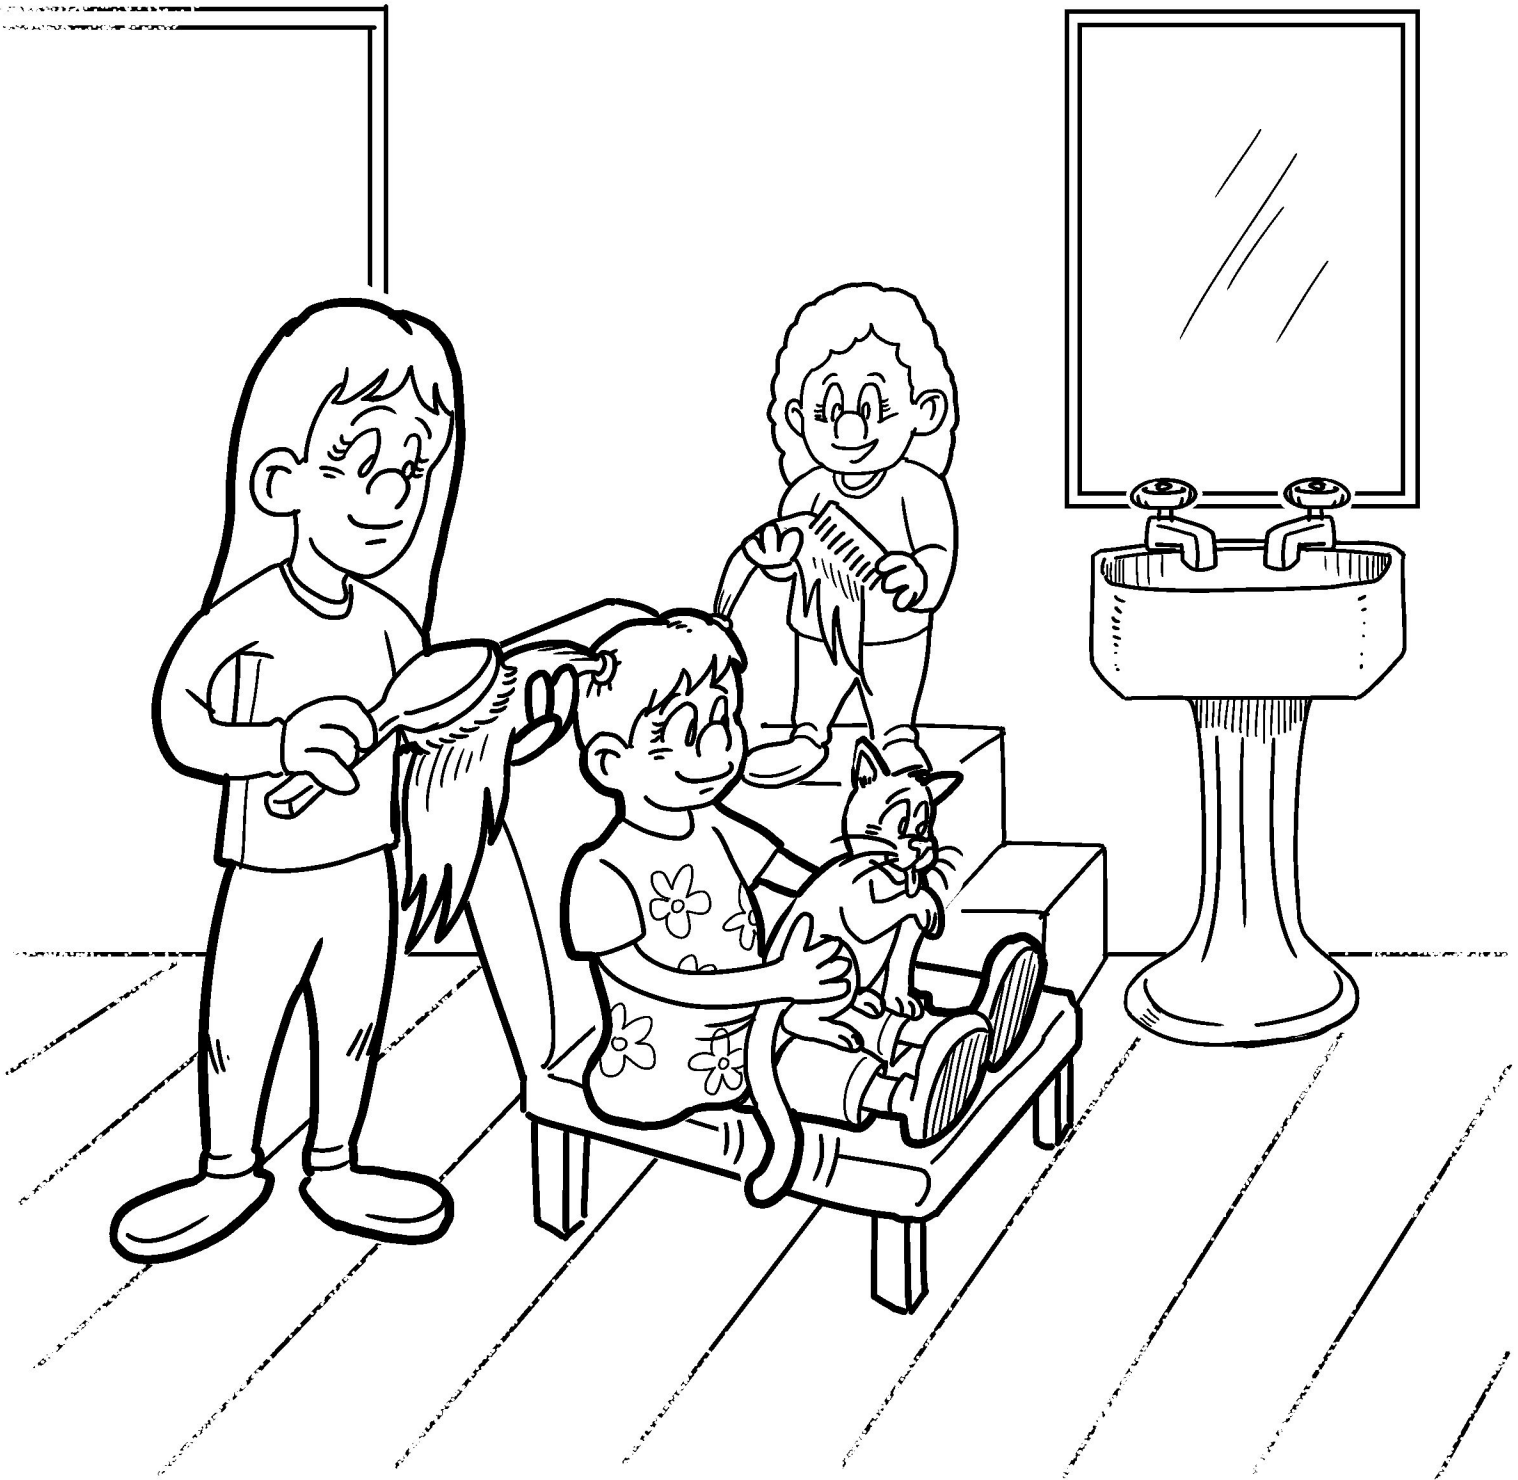

I take our dogs out for exercise and to go to the bathroom. It is very important to pick up after them.

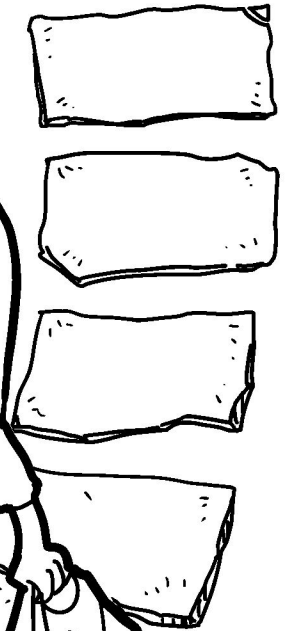

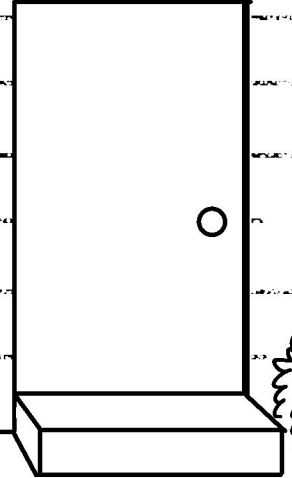

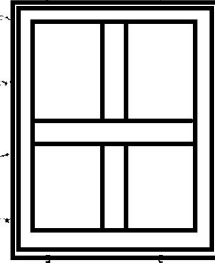

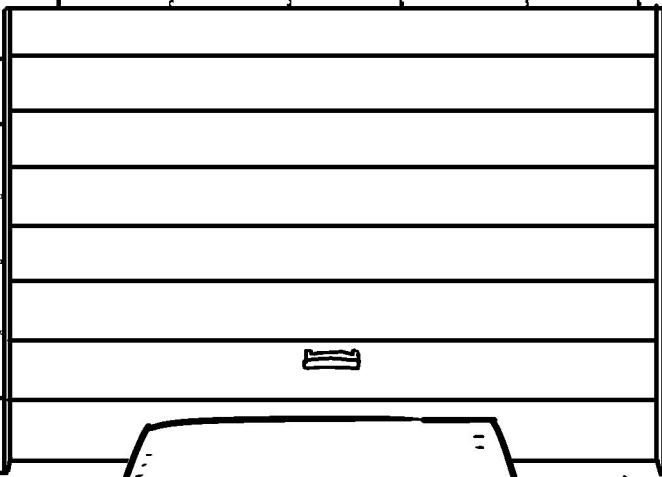

**I help keep my dog's water bowl clean
and full of fresh water.**

I don't mind a mess, but my parents like it neat. So I pick up my toys when I'm finished playing.

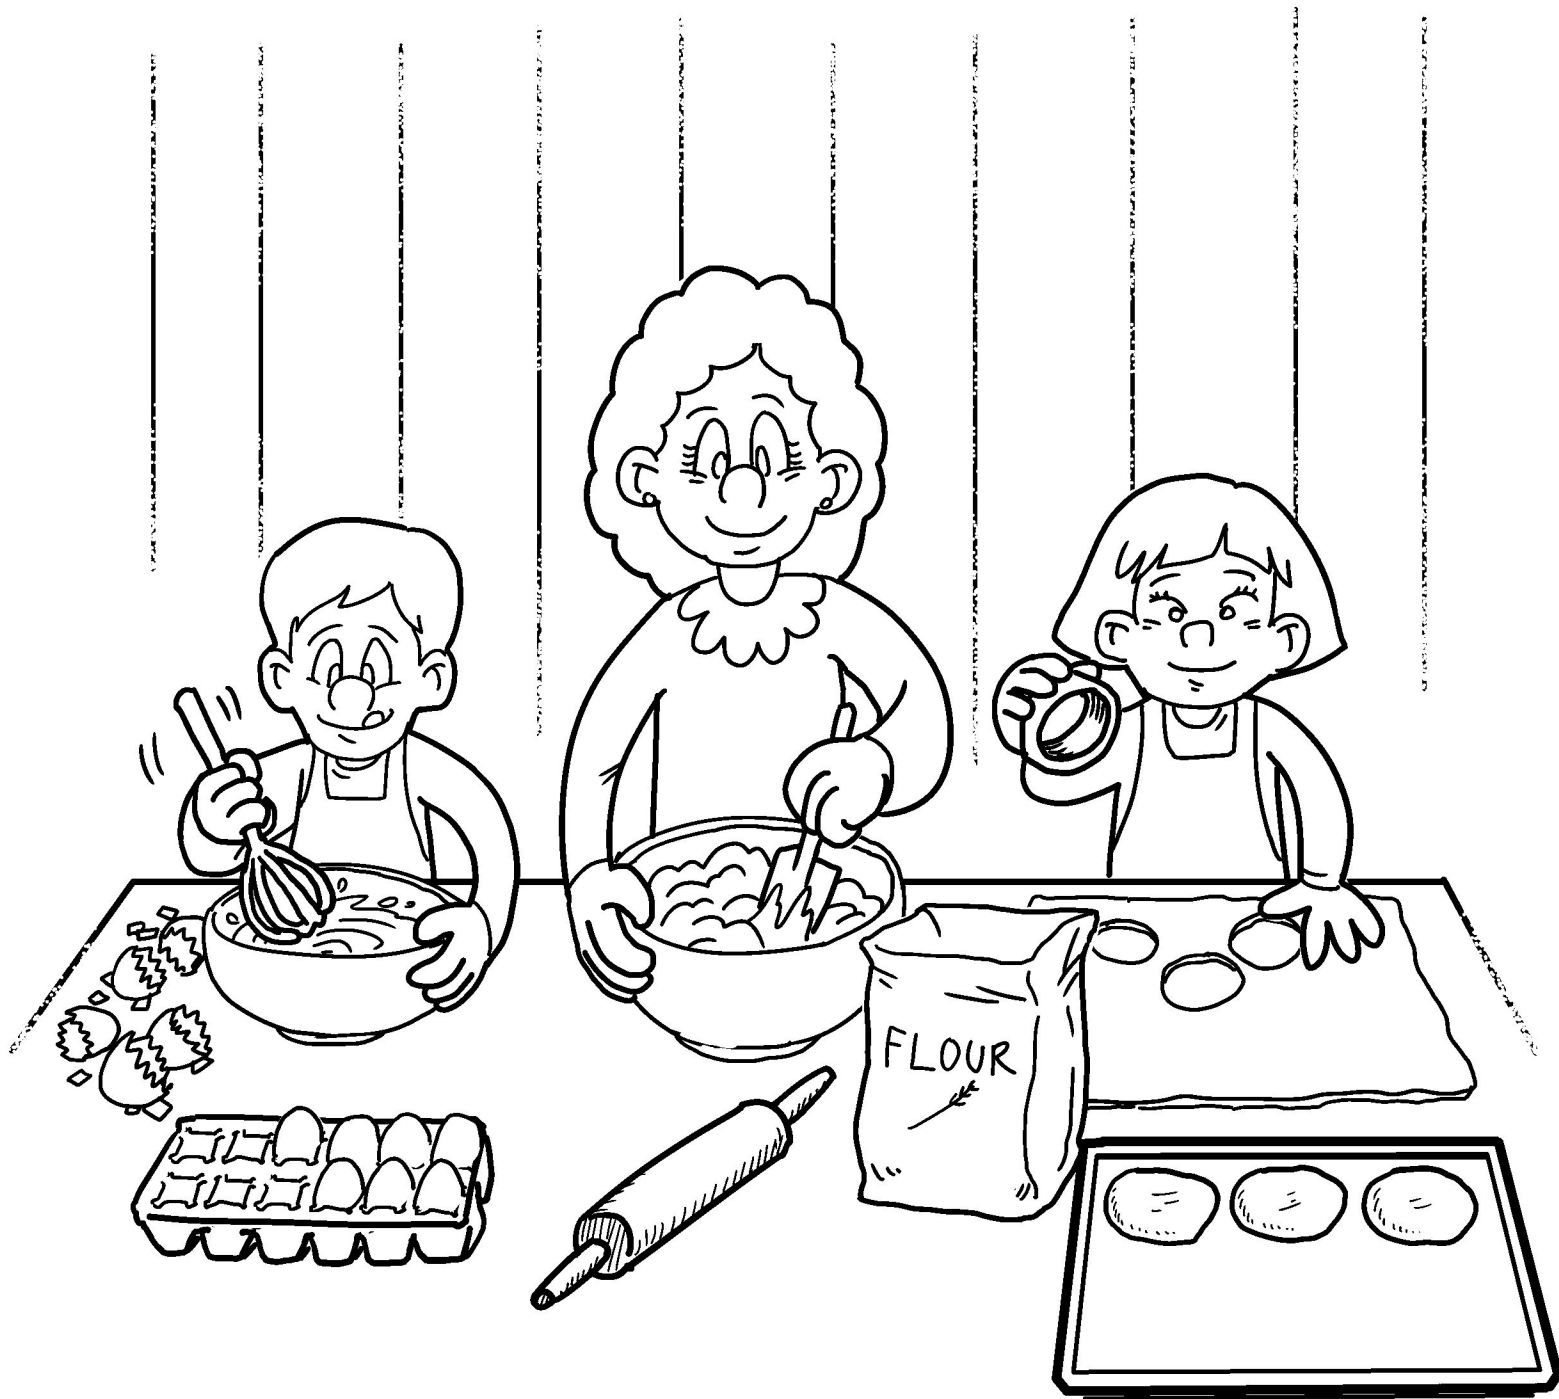

**We help each other with our hair.
I am not as good as my sister, but
I am learning from her.**

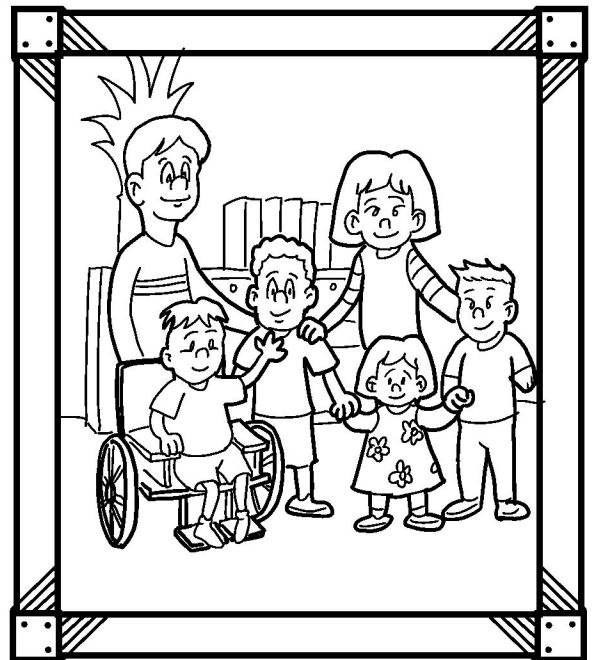

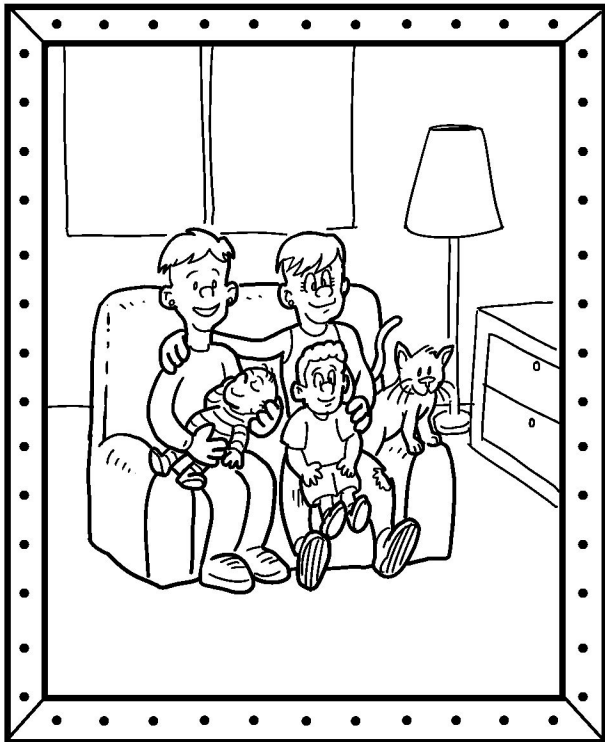

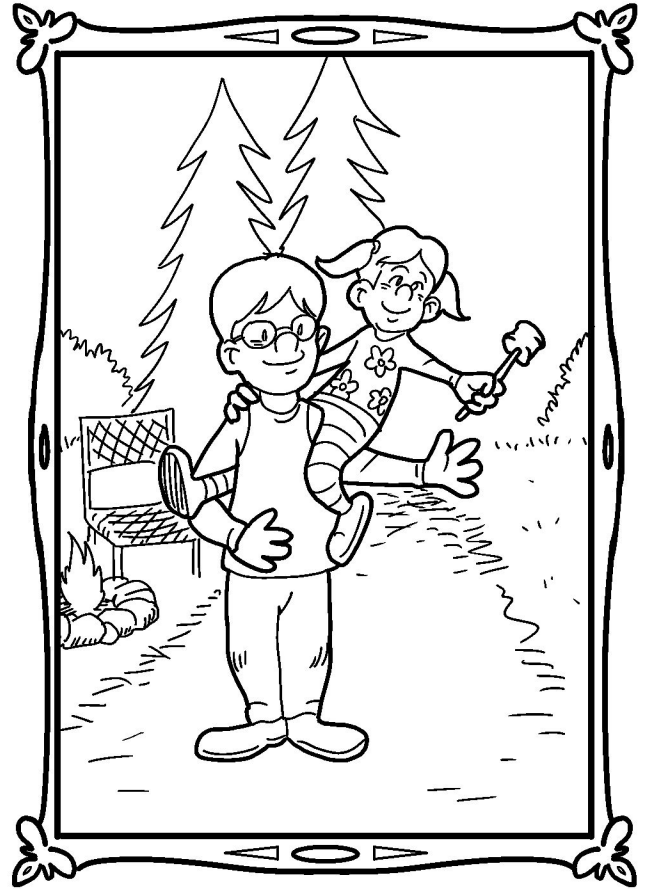

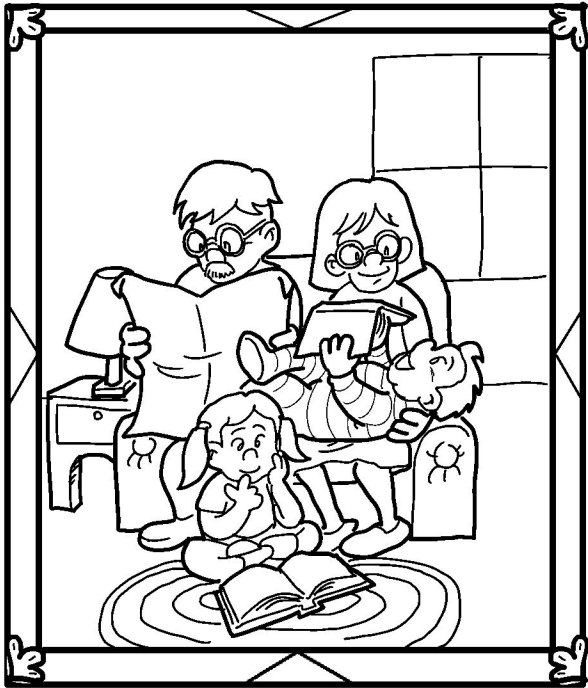

**I help carry in the groceries.
Working together makes the work go faster.**

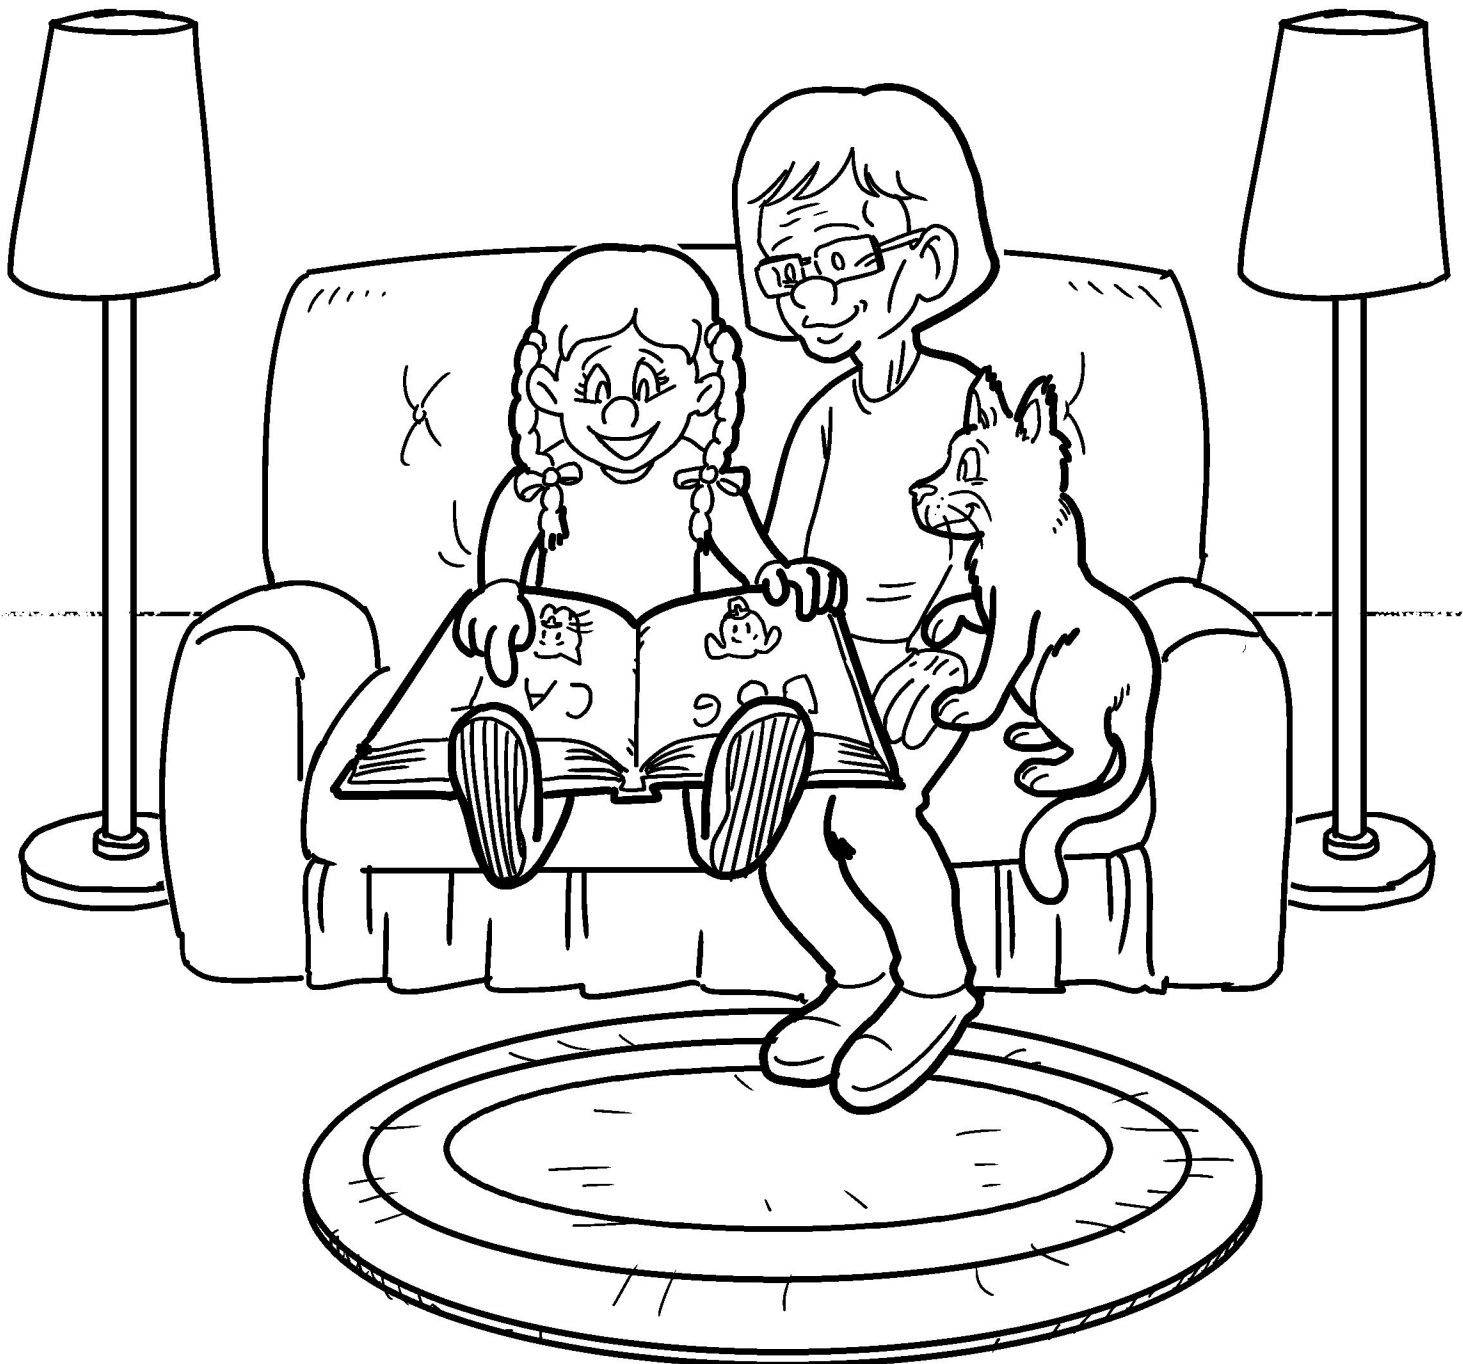

**I love to groom our pets. I know it makes
them feel good and that makes
me feel good too.**

**I love to help my family in the kitchen.
We enjoy making memories together.
My favorite are the cookies.**

My family is very pleased to see me smile in our photographs.

**To help entertain my grandma,
I like to show her how well I can read.**
